

## TISPOL Bulletin 25 September 2012

Dear Colleague,

Seven days from now, the **TISPOL Conference** will be commencing in Edinburgh. I am very pleased with the support the Conference has received, both from delegates and exhibitors. There is still room for late delegate bookings, but we are unable to accept registrations for exhibitors, and accommodation packages are no longer available. If you are considering joining us for what promises to be a challenging but rewarding two days of discussion, presentations and networking, then do take the opportunity to register. You can [click here to go to the right page](#).

We continue to value all your news and information, so do please continue to send stories and images for use in future editions of the Bulletin as well as on the website and in the newsletter. If you have a story for us, just **drop us a line**.

**Ian Hamill**, General Secretary

### ETSC demerit points conference review

Recommendations on how to get the best out of a Demerit Point System were presented at the ETSC BESTPOINT conference.
